EMPOWER

Kick-off meeting took place on 30 January in Dresden. The main objective of the project is to develop gender equality in the territory of Uzbekistan. Initially women will be empowered by successful stories of their compatriots. They will meet 6 female entrepreneurs from Uzbekistan and learn about their success stories.

LESLIE

Kick off meeting was held on 27-28 February in Valencia. The project focuses on designing and producing a set of Microcredentials and digital educational tools on Sustainable Land Management (SLM).

SPHERE

The project was established on 12-13 March at Turin Polytechnic University in Tashkent. It is designed to improve the quality of higher education in the 3hen and its relevance for the labour market and society.

TEX4FUTURE

The project started on 11-12 April in Chania, Greece. It aims to update and modernise capacities and services offered by HEIs in Uzbekistan and Kazakhstan related to the light industry of these countries.

News Letter

SPHERE Regional Seminar

Uzbekistan hosts the SPHERE seminar in Samarkand for the first time. More than 50 Higher Education Reform Experts and 21 NEO offices from 21 countries participating in the Erasmus+ educational program joined the Seminar on 'Universities' third mission' on 13-14 May 2024 .

Spring

Erasmus+ Week

European Union Festival took place to mark 30 years of partnership between the European Union and Uzbekistan

The highlight of the Festival was a large exhibition showcasing 50 projects funded by the EU and its Member States in Uzbekistan and Central Asia. This unique platform featured initiatives in various fields, including trade, employment, human rights, education, skills development, sustainable development, agriculture, and culture .

"The EU Festival stands as a vibrant testimony to our unwavering dedication to fostering sustainable development, upholding democratic principles, and advancing economic prosperity throughout Uzbekistan"

Her Excellency Charlotte Adriaen, Ambassador of the European Union to Uzbekistan, during the inauguration of the European Union Festival.

CirculEc

The project was launched on 22 April in Bielefeld. It aims to build the capacity of the human capital in the HEIs of Central Asian countries on a circular economy in order to provide staff, students and wider public with skills and competences aligned to the needs of local labour markets and environmental challenges CA countries faces.

OFINU

Two Higher Education Institutions in Uzbekistan have launched a new project “Open Food Innovation University” (OFINU) funded by the EU Erasmus+ CBHE programme

The project was kicked-off on 6-7 May in Dushanbe. Overall objective - to modernise food innovation and technology related higher education in Uzbekistan and Tajikistan, thereby increasing the quality and ensuring relevance of the higher education to the needs of the socio-economic growth of the countries concerned and especially of their regions.
